Sec. 8. If any school district in this State shall maintain a system of carrying its own insurance by setting aside a special fund therefor under terms and conditions which satisfy the Board, that it adequately protects such district against loss by fire, tornado, windstorm and hail, such district shall not be required to carry other insurance protection as provided in this act.

Sec. 9. The fact that school buildings and property in this State are in many instances uninsured and in others inadequately insured, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be, and the same is hereby, suspended and that this act shall take effect and be in force from and after its passage, and it is so enacted.
